Max Speed	: 30 knots
Cruising	: 25 – 30 knots

Descriptive Summary

The 24m WSV provides maximum versatility with a large aft deck area of 60m² that can comfortably accommodate 2 off 20' ISO containers or a dive support crew.

As well as being robust, fast and seaworthy, the layout of the vessels has been designed with the comfort and safety of passengers in mind as these boats, crew and the technicians they carry are expected to work in the most challenging of environments.
